

CELINA CONCERT SERIES

The 2007 Celina Concert Series was a huge success! This was due in part to the generous contributions made by our local businesses and individuals.

We are proud to announce that performances are being scheduled for your entertainment in 2008. The programs, which are free and open to the public, will be held at Lakeshore Park. In order for us to insure the financial success of this Concert Series, we need your help! Please consider making a cash contribution towards the most exciting program in our area. Your support is greatly appreciated, and we hope this is just the beginning of a spectacular era of entertainment in Celina.
